Snowtail - long-legged white tom

Midnightsky - light brown tabby

Dovetail - short furred she-cat

Lionleaf - long-tailed tom

Condorfang - a mottled brown tom

Wolfblood - very old tom

Part 1~

Rivertail looked overhead at the darkened sky. She knew that daylight would be approaching soon. She looked over at her leader, Hawkstar, and smiled. "I'm going to be a warrior tomorrow morning!" She whispered to herself quietly. She looked around at the other apprenticed warriors. Duskpelt, Redfang, Coaltail, Frostsky, Nightscar, Ashfang, Jetwing, Silverdusk, Honeyheart, and Shypelt. "New warriors I can't wait." Then she turned back to the sky, then she saw the sun, that lit the surroundings like flames. "Will the patrol be back soon?" Ashfang meowed nervously as the sky above them shone brightly. I sensed he was dreading the next day. "I wonder?" I thought, shockingly distressed. Fangclaw flinched as he watched my holding down my guard to break free, and run, but I didn't. "I'm going to go leave for the patrol now". Fangelaw said, with a weary hint of graduate for me. I sniffed the air, Then I turned around to face my leader, Hawkstar. "Hawkstar, what can I do for you?" I wince as I see, a tiny bit of sarcasm in the she-cats' voice. "Rivertail can you, Duskpelt, Fangelaw, Nightscar, Coaltail, and Redfang please go out and border our borders?" "Sure" i meow. "Then we hunt for 5 hours." Nightscar whispered. Rivertail. "Hey do you know what we were supposed to do?" "Y- I broke off just as Scarface came running Into view. "Scarface what's wrong?" "Scarface?"
Then I saw blood stains on his fur.
Scarface looked at us. Then he whispered
"IceClan is attacking and we're losing."
We hurried back to our camp to find.
IceClan attacking, Brokenheart was fighting a gray and white tom. Then I suddenly recognized him. "HE WAS BLOODSTAR!" " Then I recognized, Bluefang, Stormhunter, Duckpaw, Cloudpetal, and Skystream she was their MEDICINE CAT. We all joined into the battle. A large black tom crashed head first into her. Their eyes met. "Hey, aren't you Hawkeye?" The tom nodded"
Then she heard the claws, yowling, snarling, snapping of teeth, and biting and choking. When the battle was finally over and all the IceClan or what was left of them retreated back to their camp.

"What was left of us crawled out of our hiding spots." "Slowly." Hawkstar's eyes were shut closed and not opening."
"Hawkstar?!!!!!!" Oh No I wailed
Hawkstar's dead!" "All the rest of the cats or what was left of them came out in shock. "Where is Brokenheart?!" 'One of the cats stepped forward, "I saw her take her last breathe!" He yowled. "You can't mean?" Hawkstar meowed sadly. "Yes she's dead!" Scarface yowled.

Part 2~

Rivertail was in shock. "Why? Who did this?" Redfang growled, loudly. "Now the most important question!" A voice rose up, from behind Fernstream, our deputy.
"Who killed our leader?!" "It was
Clawfur who had spoken up." Then he spoke again. "I would like to be leader," he said. Rivertail, looked shocked, and meowed. "I never knew a mousedunged furball like yourself, would want to be leader?!" "The Clan burst out laughing."
"Clawfur hissed." "I'd like to see you stupid foxdunged die." "Well, that does it," meowed a tom from the back hr stepped out and Rivertail." "I never knew you had kits with this stupid piece of foxdunged!" Snarled Clawfur.
"I never asked you stupid furball!"
Rivertail hissed.

Part 3~

"Ashfang yawned loudly." *Yawn*. "Let's go hunting and go do a bunch of patrols today." "Why are you so tired?" Meowed Fernstream. "Just exhausted." "Just then a screech rose up from the nursery."
"Rivertail looked around scared, then she saw, Mistybreeze, running their way." "Mistybreeze came running to them out of breath." "MY KITS THEIR GONE!!!!!!" "The warriors tried to calm down." "Then Duststorm came running to her and curled his tail around her." "It's okay Mistybreeze." "NO00 ITS NOT!!!!!" She wailed. "It's not fair!" "No it's not," Duststorm whispered.

"At the next full moon."
Rivertail and her clanmates walked into the Fourtrees. "Our leader glanced at the other leaders and yowled." "Every cat went silent." "Hawkstar waited until the loudness quieted down." "She cleared her throat." "One of our queens, Mistybreeze, had kits, but they were stolen by one of the other Clans'." "Some of the other leaders hissed and snarled at her." "Bloodstar cleared his throat. My warriors and deputy haven't been on your territory anytime recently."
"Really?!" Hawkstar growled. "Are you calling our Clans thieves?!" Hailstar snarled. "YES!" Hawkstar growled."
Oakstar waited until the noise died down. Then he spoke, "are you sure you didn't catch a loner or rogue instead?"
"Hawkstar thought for a moment."
"Maybe I don't know yet?" "Then let's not blame others." He said.
Then the Clans separated.

Part 4

Ashfang waited until every cat was asleep, then he snuck out of the Warriors den." "Where do you think you're going Ashfang?" "He turned around to see his sister, Rivertail. "Rivertail I- "You're not going to see that she-cat are you?"
"No!" "Then where are you going?!" "I'm just going for a walk?" "Okay," Rivertail meowed. "She turned around and ran back into the Warrior's den." "Phew!" He meowed. "That was close." "Then he stiffened." "Oh no a patrol. Then he sniffed the air again. Is from... IceClan!!"
"Then Ashfang jumped into the nearby bushes." "Just then he heard some rustling from the bushes behind him."
"Then an IceClan patrol came out!" Then he went silent. Then he listened to their conversation." "I thought you said we'd have been alone!" "We are- Then he stopped mid-sentence." "When Ashfang was backing up into the bushes when he stepped on a twig and it snapped." He went quiet. "Wait- What was that?!" "I told you we were alone!" "Ashfang recognized the voice of the deputy, and their leader, Bloodstar." "Then his deputy, Icefall, stepped forward and dragged Ashfang through the prickly brambles." "OWWW!!! You're hurting me!!" When Icefall finally let go. Ashfang noticed that he was in IceClan's camp. "Is it true that you trespassed on our territory?!!" Bloodstar snarled at him." Ashfang glared "I didn't even- before he could finish his sentence, two of the senior warriors grabbed him by his neck and dragged him into an empty den.
Back at FireClan camp. Hawkstar looked around for Ashfang, she turned to her senior warriors.
"I need y'all to go and try to find him!" "Okay", meowed Mousetail. Then they turned around and ran through the undergrowth.

Part 5

The crisp got morning air rippled through Rivertail's fur. She saw something was bothering Scarface so she stood up and walked over to him. "Hey, you okay?" "YES! NOTHING JUST SHUT UP YOU'RE A PIECE OF FOXDUNG!!" "Coaltail looked angry and glared at him, "HEY DON'T TALK TO HER THAT WAY SHE DESERVES BETTER!!" "Scarface whirled around to face Coaltail, "WHAT DID YOU SAY?!" "I say. "YOU'RE A PIECE OF FOXDUNG AND A PSYCHO!!" " Just then Scarface lunged for Coaltail's throat!" "He pinned him to the clearing floor." "Coaltail tried to escape but Scarface only pinned him down harder." "HEY, YOU LEAVE HIM ALONE!!" Rivertail yowled at Scarface."
"HE IS A WIMP!!!" "Snapped Scarface.
Then, Scarface bit down on Coaltail's throat." "HEY STOP!!!!" Rivertail snarled at Scarface. "Scarface watched with sad satisfaction as crimson blood gushed from the long gash embedded into Coaltail's throat." "He's going to die!!!"
"YES!!!" Scarface turned and walked away from the clearing. "Hey stay with me!!!!" Rivertail wailed, she pushed her nose deep into Coaltail's fur. "Hey stay with me!!!!" Rivertail wailed, she pushed her nose deep into Coaltail's fur." "Then Lilacbreeze came rushing out of the Medicine Cat den." "She took Coaltail back into her den." Then she took out a leaf of Yarrow and chewed it into a poultice, then she took one of the poultice leaves and put them onto the gash. Then she wrapped his up with some cobweb and she sent him to bed."
"Huh?! Where am I? What happened?"
"Then he saw the Medicine Cat, Lilacbreeze." "You're fine just a couple of broken bones."
